I, \_\_\_\_\_, hereby declare the following:  
(first name / family name of the intermediary in block letters)

1. I pledge to respect and comply with all and any mandatory provisions of applicable national and international laws, in particular those relevant to job placement, when acting as an intermediary. In addition, I declare to be bound by the FIFA provisions related to my activity as an intermediary, specifically the FIFA Regulations on Working with Intermediaries, the FIFA Disciplinary Code, the FIFA Code of Ethics, the FIFA Regulations on the Status and Transfer of Players, the DFB Statutes, the DFB Regulations on Players' Agents, the DFB Legal and Procedural Regulations, the DFB Competition Regulations, as well as the DFL Statutes, the provisions of the DFL Player's Licence, and the DFL Competition Rules. The provisions cited above are available for download on [www.fifa.com](http://www.fifa.com), [www.dfb.de](http://www.dfb.de), and [www.bundesliga.de](http://www.bundesliga.de) respectively.

In the event that charges are brought against me for any violation of the FIFA and/or DFB rules referred to in the above paragraph, I agree to be subject to FIFA and/or DFB jurisdiction. I acknowledge as final and binding any decisions adopted by these bodies within the framework of their respective competence.

2. I herewith confirm that I do not hold any position of Official as defined in the "Definitions" section of the FIFA Statutes, including but not limited to committee chairman or member, referee, referee assistant, coach, backroom staff member, technical/medical/administrative representative of FIFA, or of one of FIFA's Confederations, or of one of FIFA's affiliated national associations, league or club, nor will I hold such a position in the foreseeable future.
3. I declare that I have an immaculate reputation, and I specifically confirm not to have been convicted of a financial, property or any other criminal offence. As proof, I attach – or shall submit as soon as possible – a Certificate of Good Conduct not dated older than three months prior to signing this Declaration and issued by the authorities of the country I am officially domiciled in. This obligation does not apply if such Certificate was submitted to the DFB for the current or previous season.
4. I acknowledge I am obliged to pay to the DFB an Intermediary registration fee currently amounting to EUR 500, unless such fee has already been paid to the DFB for registering me for the current season.
5. I declare that I have no contractual relationship with leagues, associations, confederations or FIFA that could lead to a potential conflict of interest. In the event of doubt, all and any relevant contractual agreements shall be disclosed. I also acknowledge that – when acting as an Intermediary – I must not imply, either directly or indirectly, that such contractual relations exist between myself and any leagues, associations, confederations or FIFA.

6. I declare that I will not accept any payments that a club is obliged to make to another club in connection with a transfer (e. g. transfer compensation, compensation for training and development, or solidarity contributions).
7. I undertake not to accept any payment from any party resulting from the transfer of an under-age player.
8. I declare that I shall not, either directly or indirectly, take part in or otherwise be associated with betting, gambling, lotteries, and similar events or transactions connected to football matches. I acknowledge that I am not allowed to have stakes, either actively or passively, in companies, concerns, organisations etc. that promote, broker, arrange or conduct such events or transactions.
9. I authorize the DFB and/or the DFL to obtain – pursuant to article 6 paragraph 1 sentence 1 of the DFB Regulations on Working with Intermediaries – comprehensive information about any payments I have received in exchange for my intermediary activities from any club or player.
10. Upon request and pursuant to article 6 paragraph 1 sentence 1 of the DFB Regulations on Working with Intermediaries, I authorize the leagues, associations, confederations, and FIFA (as the case may be) to access, if deemed necessary and for the purpose of their investigations and pursuant to article 6 paragraph 1 sentence 2 of the DFB Regulations on Working with Intermediaries, all and any contracts, agreements and arrangements related to my activities as an intermediary. I will also, upon request, grant the above-mentioned bodies the right to obtain relevant information from any other party or parties that advise, facilitate, or otherwise support the negotiations I conduct. The DFB, the DFL, UEFA or FIFA are going to provide me, to the extent this is legally permitted, with written information about the findings of their investigations.
11. I consent to the DFB, the DFL or the national association concerned, holding and processing any data for the purpose of their publication, pursuant to article 6 paragraph 3 of the DFB Regulations on Working with Intermediaries.
12. I consent to the DFB and the national association concerned, respectively, publishing any disciplinary sanctions imposed against me and informing FIFA thereof.
13. I agree to this Declaration being disclosed to the members of the responsible committees of the DFB and its staff concerned.
14. Space reserved for remarks and observations which may be of relevance:
